## A FOOT-HILL ADVENTURESS.

**The Exploits of a Woman who Professed to be a Governor's Daughter.**

[N. Y. Sun.]

In the fall of 1875 a young woman, giving her name as Grace St. John Clemence, and representing herself to be the widow of William H. Clemence, of Toledo, Ohio, and a daughter of the late Governor Ted, of Ohio, appeared in Grass Valley, Cal., and made the acquaintance of the family of James S. Spring. Her winning ways gained their confidence, and she remained in their family until a few months ago. She claimed to have much money invested.

In December Mr. Spring and his family came to Brownfield, Me., leaving Mrs. Clemence in charge of the house, with $1500 to pay expenses. Shortly afterwards a letter was received from her; saying that her health was so poor that she would be obliged to give up the house. A letter was sent to her, asking her to come to Maine, and $4,500 was sent to her by Mr. Spring, directing her to use what she wanted, and deposit the rest in the bank for his daughter Ida. On the first of April Mrs. Clemence arrived in Brownfield, and said that she had taken the $1500, and put $6000 of her own with it, and loaned the whole to Senator Sharon, of Nevada, at eight per cent. interest. She showed what purported to be his note for $10,500. On the 12th of May Mr. Spring started for California, and the next day Mrs. Clemence started ostensibly for Dixon, Ill. In Cleveland Mr. Spring found that Mrs. Clemence was an impostor, and that Gov. Ted's daughter, of the same name, was living there. He also found that Mrs. Clemence suddenly left there years before to escape arrest for theft. Arriving in Sacramento Mr. Spring found that she had deposited the $4500, but had reached there there the day before him, drawn it out, and started East. A requisition for her arrest was obtained.

Mrs. Clements came back to Portland, where she was arrested on Thursday, the 28th ult., and was locked up at the station house. She had with her $300 in gold and greenbacks, many diamond rings, and other valuable jewelry. In her trunk a complete set of silver ware, and an extensive wardrobe were found. It was ascertained that Senator Sharon's note, all but the signature, was written in this city. On Monday night Mrs. Clemence escaped from the police station by sawing off the small bars. Mrs. Clemence has since been recaptured, and will be taken to California for trial.

## MISCELLANEOUS ITEMS.

Hope is the sugar coating of the pill of life.—*Whitehall Times.*

One thousand nine hundred and fifty uncalled for letters at the Leadville postoffice.

The report that a new steamship line is to engage in the Pacific Coast trade is contradicted.

Five barrels of arnica arrived in this city yesterday, in anticipation of the opening of the base-ball season.—*New Haven Register.*

Senator Thurman, of Ohio, is now a man of nearly 66 years of age. His constitution is robust, but he does not spare it. He works hard when he enters into a campaign.

The brewers in convention assembled at St. Louis, the other day, passed a resolution to the effect that beer, being a temperance drink, its use ought to be encouraged by legislation.

The Rev. James Burnham's marriage in Farmington, a year or two ago, caused comment because he was 81 years old, while the bride was young. A child was lately born to the pair, and its public baptism was a proud occasion for the aged father.

The Chicago *Times* says that in putting aside the entangling alliances of the gubernatorial chair of Ohio, Mr. Thurman resembles the boy who preferred to travel a mile around a bull pasture rather than save two-thirds of the distance by erasing the enclosure. His legs are all right, but he hasn't the wind necessary for a long run for the presidency.

The Fulton (N. Y.) *Patriot* prints a note from Mr. T. A. Edison, dated May 20, in which he says: "I have nothing new at present to communicate regarding the electric light, but the whole subject will go through the 'press mill' ere long, as I am just about rounding up the corners, and expect in a short time to show the unbelievers something that will make them doubt no longer. As soon as I am ready to make an exhibition of the light here I shall open my laboratory."

Residents of Texas have called on the governer for protection against thieves, murderers, and outlaws, and a petition reciting the necessity of military aid has been sent to the capitol, and militamen are ordered to the counties thus troubled. The petitioners aver that armed bands rob and pillage and defy interference. They run off stock and carry away property, and whoever goes in pursuit endangers his life. The trouble is in the main near the borders of New Mexico and the Indian territory, and there, according to the petitioners, little short of a reign of terror exists.—*N. Y. Sun.*

**Dr. Mintie's Nephreticum.**

DR. MINTIE'S NEPHRETICUM works wonders. In all cases of Dropsy, Bright's Disease, Kidney, Bladder and Urinary Complaints, or Retention of Urine, these troubles are entirely cured by the Nephreticum. Female Weakness, Gravel, Diabetes, pain in the back side and loin are cured when all other medicines have failed.

See what the Druggists of Portland and San Francisco say about Dr. Mintie's Nephreticum and English Dandelion Pills:

"We have sold a large amount of Dr. Mintie's medicines; the English Dandelion Pills; also the Nephreticum, and in all cases they are highly spoken of and give entire satisfaction."

John A. Childs, Druggist, Second street, Portland.

C H Woodward & Co., Druggists, corner First and Alder street, Portland.

Messrs. Abrams & Carroll, wholesale, Druggists, Nos. 3 and 5 Front street, San Francisco, say:

"We regard Nephreticum as the best Kidney and Bladder Remedy before the public."

All Druggists keep these medicines.

For all derangements of the Liver,
Use Dr. Mintie's English Dandelion Pills.
For Billiousness and Dyspepsia,
Use Dr. Mintie's English Dandelion Pills.
For Fever and Ague,
Use Dr. Mintie's English Dandelion Pills.

Every family should keep the English Dandelion Pills on hand.

Dr. Mintie's Remedies will not "Cure all Complaints," but will, if taken according to Directions, give immediate relief and perfect a cure in all troubles for which they are recommended. jan6-6m

**Insurance.**

We desire to say to our insurance patrons and owners of property generally that we have secured the services of Mr. T. B. Camp, a professional insurance man who has had several years practical experience in the business and is thoroughly posted in all its details He will give his entire time and attention to insurance, thus securing care and skill in the writing of policies, so as to properly cover the risks, which is of great importance, as many sufferers by the late fire may recall, as it might have saved them hundreds of dollars in the adjustment of losses. We shall issue policies and adjust losses at our office. D. A. BENDER & Co., my24 1m Agents

**No War! No Sacrifice!**

But always the sledge hammer on high prices. From the very day I opened I sold the very goods which are advertised at panic prices, for 25 per cent. less than are now offered by the noble warriors; farther more I do not offer a few articles as a bait, but I sell all my goods for less than ever heard of this side of the Rocky mountains. All who have traded with me can testify to the truth of the above, and those who have never yet traded with me I most cordially invite to be convinced. Je3tf SOL. LEVY.

**A Card.**

To all who are suffering from the errors and indiscretions of youth, nervous weakness early decay, loss of manhood, etc., I will send a recipe that will cure you, FREE OF CHARGE. ### EDITORIAL NOTES.

The New York *Sun* says the Ohio Democratic convention was drunk because it voted down the following resolution introduced by Congressman Frank Hurd, of the Toledo district:

*Resolved*, That we request the Democratic members of congress not to vote any appropriation to any army until provision shall have been made that such army shall not be employed to influence or intimidate the people at the polls.

The voting down of that resolution would either lead us to believe that Frank Hurd was drunk and the rest of the convention sober, or that the Ohio Democrats have more sense drunk than sober.

The Virginia *Chronicle* gives an account of what Miles Finlen saw in Lake district. Mammoth City is its town, and lies about sixty miles southeast of Bodie. Mammoth has about 1500 inhabitants and is growing fast. It is the roughest place out of Mexico. Bodie's toe shooter is there, and six-shooters and bowie knives are handled "with lightness and freedom." Coffee and doughnut six bits. Mammoth is the principal mine and it has a twenty stamp mill in operation. Mr. Finlen speaks well of the prospects of the new district.

The victims of the Wheatland crime may recover. Both were unconscious at last accounts. Ida Dunn is described as one of the most beautiful girls in California. The negro is still in custody, but there is no proof of his guilt. A large reward will be offered for the discovery of the guilty party. It is now reported that disfigurement and not outrage was the object of the assault. There is great excitement in Wheatland over the horrible affair.

By our telegraph dispatches it will be seen that Senator Bayard has done the country good service by preventing any further tinkering with finance at this time. If silver continues to improve in value the question will settle itself inside of a year, and if not, such a measure as the Warner bill would only afford silver producers, brokers and speculators opportunities to knock the price down still further and rob people who cannot get hold of silver to coin.

Some writers assert that England is about to renounce free trade. There is no truth in their statement. About two months ago a blundering lord made in parliament an incoherent speech in favor of some vague scheme of reciprocity. Disraeli put an extinguisher on him. The premier said that the policy of free trade was long ago settled in England; and the *Times* next morning compared the noble lord who favored reciprocity to a dodo.

The saints in Utah do not approve of wedding serenades. Gen. Agramonte, of Richfield, recently married one of the widows of the late J. A. Young. The boys of the town attempted a serenade, but were driven off. Subsequently a party of four horsemen passed the house and jingled little wedding bells. The irate Mormons fired upon the riders. But on the morning following the domicile was dripping with addled eggs.

They give strong hints in Texas. When a young lady's beau is not relished by her family they intimate their dislike by drawing on him at sight. A gallant young Texan received a hint in that way the other day at Marshall, Texas. He retorted by drawing his own weapon, and a moment later there were two dead Texans on the parlor floor.

The Carson *Tribune* says, speaking of the coming celebration:

The selection of Carson was eminently wise, for here, and here only, can sufficient level ground be found to afford the companies ample space to go through the manual of arms and display their field tactics.

The *Tribune* tries to make it appear that Nevada is a hilly state.

The Nevada *Tribune* says that we have gold money and silver money and paper money in this blessed country, but very little harmony. Yes, and the more different kinds of money we have the less harmony there will be.

Ex-Senator Henderson's choice for the next President is R. B. Hayes. If poor Rutherford lives through the present term he will never again venture outside the state lines of Ohio.

Large numbers of men are leaving Victoria, British Columbia, on each outgoing boat north for the Stickeen mines. Prospects, however, are not encouraging in that section. No new developments have been struck.

A diabolical attempt was made last week to poison Major Kinley at Los Angeles, Cal., by means of poisoned oranges. Strychnine was the medicine selected, but its intensely bitter taste revealed its presence, and saved Major Kinley's life.

The San Francisco *Call* says that during the month of May there were 4777 arrivals in the port of San Francisco, and 3656 departures, leaving a net gain of 1121. There was no steamer from China in May, and hence only 21 passengers from Hongkong. We sent off 278 to China and Japan and 429 to Honolulu and Australia.

The bones of a man were discovered last week almost a mile and a half from San Antonio camp, Tuolumne county, Cal. The boots and two articles of clothing found near the skeleton were identified as belonging to John Kelley, who, in a fit of intoxication, wandered off a year ago last September, and was not heard of again until the finding of the remains.

## JOTTINGS.

— Reno now boasts of three faro games and one high ball poker game.

—"Stick to your last," as the minister said when he married a woman to her fourth husband.

— Coleman & Pechner are kept busy with their little razors. There is no rest for the wicked.

— That truculent esculent, the cucumber, is torturing the digestive organs of Reno.

— A. L. Hurd suffered considerable pain from his cut last night, but is feeling much better to-day.

— Burchard & McClelland have a choice variety of fresh California fruits on hand.

— The Congregational church bell was ringing this morning to call the Seventh-Day Adventists to worship.

— Lachman & Myer have received a large lot of flags of all sizes suitable for the Fourth of July decorations.

— The trustees of the Agricultural Society did not meet this afternoon, as they should have done pursuant to adjournment.

— Two shots were fired on Commercial Row, between 10 and 11 o'clock last night. The party who fired them could not be found.

— Smith, the colored boot and shoe artist in Coleman & Pechner's barber shop, wrapped himself around a stack of lightning-rod whiskey last night, and expressed a good natured desire to fight. Constable Avery furnished him with quarters in the jail for the night, and released him this morning with the injunction not to do so again.

## HONORS TO THE WISE.

### The Grand Officers of Nevada Entertained by Reno Chapter.

#### A Good Day's Work and a Pleasant Evening.

Reno Chapter No. 7, was opened yesterday afternoon at 3 o'clock, and the beautiful and impressive degree of the Royal Arch was conferred in a semi-twilight, produced by closed blinds, and curtained windows. When the work was completed the companions separated for dinner with orders from Most Excellent High Priest Knust, to be in attendance at 9 o'clock. The train from Virginia, brought down Most Excellent D. E. Bailey, Grand High Priest of the Grand Chapter of this state, and Most Worshipful D. C. McKinney, Grand Master of the Grand Lodge, with other members of the grand bodies and delegates who had been in attendance at Virginia City. All but one or two repaired at once to the hall and were received with honors. The officers were arrayed in the

BEAUTIFUL ROBES AND JEWELS

presented to the chapter by the managers of the ball on the 16th of February, and made a very good appearance. The hall was fairly well filled and every thing went off well. At 11:30, after some very intertaining and instructive remarks by the Grand High Priest, the chapter was closed and the Captain of the Host marched them in a body to Chamberlain's new hotel which they dedicated to the service of Epicuris. The dining room was decorated with festoons of evergreens, suspended from the sides and swung from the centre pillars. The words, Reno Chapter No. 7, were suspended from the centre one. R. A. M., in large letters, ornamented the screen in front of the entrance to the carving room. A green keystone two feet long, set with roses, hung over one table, and the square and compass over the other. About sixty sat down to the tables, on which was spread as elegant a supper as could grace a board. It was not only elaborate, but it was tasty and well selected. Each glass contained a lovely rose folded in the napkin, and at least twenty boquets of

RARE FLOWERS WERE SCATTERED ABOUT.

Some of the dishes were unusually excellent, even for Chamberlain. A dish of shrimp salad, sat between the editor of the GAZETTE and Frank Bell. The plate was not exactly licked, but the shrimps, oh, where are they. Cakes, as big as a town lot in Virginia City, with Mount Rose frosting on top, were ornamented with sugar keystones, crow, pick axe and spade, square and compass, and other emblems. Black heart cherries, ripe peaches, oranges and other fruits, tempted the taste of dozens who knew they would be sick to-day. Tea, coffee and pure Truckee water, were the only drinks called for. No wine was offered and no one seemed to regret it in the least. Companion H. A. Clawson, presided over the tables with the skill and unobtrusive attention which attracts little notice, but leaves no one neglected.

MINE HOST CHAMBERLAIN

was everywhere, and ate half a dozen suppers in different parts of the room. He was in his element and made it very pleasant for all. After the interests in the good things subsided somewhat, calls were made on Judge McKinney, who made a short speech, in which he expressed the greatest pleasure at the successful attempt to have a good time without the aid of the bottle. Wine is almost universally present at anything like a banquet, and the Grand Master complimented the body on their effort to do without it. He said he would recommend it to others. Grand High Priest Bailey, went below on No. 2, so that he could not respond. Most excellent High Priest Knust gave a toast, "Our visiting Brethren. May we often meet." Right excellent J. D. Hammond, gave "Our host. He gives us good work, true work, such work as we are authorized to receive. Let us hope that Mr. Chamberlain will always be able to set a square meal." Speech making went slow, everyone was tired and talked out, but when Companion Jo. Woodward struck up "Auld lang syne," the roof rang with the chorus. "Happy are we to-night boys," "The old plantation," and other old favorites were sung in the dining room, and out in the open air, under the stars, all joined in "Home sweet home."

### An Agreeable Surprise.

Yesterday was the twentieth anniversary of the wedding of Mr. and Mrs. Smith Hill. In honor of the happy event a party of friends assembled at their residence last evening, and presented them with a beautiful China tea set. All present enjoyed themselves heartily. The couple who stood up with Mr. and Mrs. Hill, at their marriage, were among the callers, and by their presence made the occasion still more enjoyable.

### A Card.

The *Journal* of this morning has a statement that Mr. Clark gave Barnett permission to haul some freight for us. We deny that Mr. Barnett or any person but Mr. Hurd had any orders to haul our freight or any part of it.

UPDIKE & CLARK.

## PERSONAL.

T. E. Kelly, ex-sheriff of Storey county, is in town.

Ex-senator G. W. Chubbuck, of Gold Hill is in town.

Rev. John D. Hammond is registered at the Lake house.

C. H. Stoddard returned from a short trip to San Francisco this morning.

S. S. Sears, of the Elko *Independent*, was in Reno from 9 until 2 last night.

M. Weil writes that Bodie is very lively, and that he is doing a rushing business.

Judge D. C. McKenney, of Austin, is in town, and leaves to-night for his home on Reese River.

J. M. Woodworth, deputy warden of the state prison, came down from Carson on last night's train.

A. M. Nichols, of Austin, J. J. Meiggs, of Elko, E. S. Yates, of Tuscarora, S. P. Kelly, of Belmont, R. H. Right, L. L. Crockett, Chas. Martin, of Carson, and others attended the Masonic banquet.

### Another Reno Victim in Truckee.

The following is clipped from the Truckee *Republican* of this morning:

"Tom Rogers is in town. Tom was one of the victims who suffered at the hands of the Reno tar brigade. He received numerous lashes which he says were undeserved. Tom has been on the coast a number of years, and for the last six or seven years has been a fisherman on the Truckee at Pyramid lake and lake Tahoe. When not engaged in fishing he has been employed as a brakesman on the Central Pacific railroad. Those who know him for years say that he is an honest and industrious man, who has one serious failing and that is his love for whiskey. He is not a "vag" in any sense of the word, and says he has never been guilty of selling or giving whiskey to squaws. It is quite possible that the Renoites made a mistake in this instance. In scooping in a miscellaneous crowd, they captured one innocent man, and he suffered for the sins of others. He says he has never committed any offence against the law, and he don't want to be branded as a vagabond and criminal."

From what can be learned about the matter Rogers was the man the brigade were most anxious to punish. They may have made a mistake in whipping him, but it is sure they made none in the man. About the only charge made against Rogers is that he sold or gave whiskey to the Indians. How much truth there is to sustain the charge is an unknown quantity to the GAZETTE. Rogers may have been wronged. The people have become so exasperated at the practice of selling whiskey to Indians that it is quite possible some one may get punished for an offence not positively proven against him. Whether such was the case in this instance the GAZETTE is unable to say; but one thing is certain, appearances are against Mr. Rogers. It is barely posible that it is a case of poor dog Tray, but hardly probable.

### Grand Officers of the Masons.

The following officers were installed by the grand lodge of masons, in Virginia City: DeWit C. McKinney, Grand Master; David E. Bailey, Deputy Grand Master; Henry Rolfe, Senior Warden; John J. Meiggs, Junior Grand Warden; John C. Currie, Grand Treasurer, and John D. Hammond, Grand Secretary.

### Piano Lessons.

Master Bennie Barnett, late pupil from the Conservatory of the eminent composers and teachers, Professors Mansfield & Scott, of San Francisco, will give instructions on the piano. He has been intrusted with the tuition of Professors Mansfield & Scott's own pupils, which is certainly proof of his ability. He also adopts their method of teaching, which is thorough in the minutest details. For terms, etc., inquire at I. Barnett's dry goods store. june14

### M. T. Barnett Bound Over.

M. T. Barnett was arrested last night on a charge of an assault with intent to kill, preferred by Mr. Fannon, Hurd's partner, but was released on giving bonds in the sum of $500. His examination will be deferred until the extent of Mr. Hurd's injuries is ascertained.

### Only Half Crops.

J. S. Tolles informs a GAZETTE reporter that the clover is, much of it in blossom and the timothy heading up, while they are not half the usual height. He thinks the crop will not be over half the average and cannot possibly reach two thirds.

## BY TELEGRAPH.

### No Action to be Taken on the Silver Bill this Session.

### The Army Appropriation Bill Reported Back, With Amendments.

### THE WARNER SILVER BILL.

[Special to the Gazette.]

WASHINGTON, June 14.—The committee, consisting of Senators Thurman, Garland and McDonald, appointed by the Democratic caucus yesterday to consider Coke's resolution to take the Warner silver bill from the finance committee and pass it, will recommend that the bill be placed on the calandar, but not acted upon this session.

If the committee should arrive at any other decision, Bayard would resign his place as chairman, and Kernan would follow his example.

### The Appropriation Bill.

WASHINGTON, June 14th.—The army appropriation bill has been reported back from the committee on appropriations, with sundry amendments, and placed on the calendar.

### The Wheat Crop.

[Special to the Gazette.]

WASHINGTON, June 14th.—The returns to the department of agriculture show that the average condition of winter wheat for June is 90 against 98 last year. The acreage of spring wheat sown is about four per cent. increase over last spring.

## TRUCKEE ITEMS.

[From To day's Republican.]

A. Burman had his arm accidentally broken on Tuesday morning at the Eureka mine.

From Mr. William Jones we learn that the Soda Springs hotel will be ready for guests on the 28th of June.

There will be given on Thursday evening next, at Hurd's hall, a festival and dance, by the Good Templars.

Two young ladies from Boca caught seventy-one fine trout in Independence lake one day this week in less than two hours.

We are informed that the Truckee lumber company fire department propose to celebrate the coming anniversary of American Independence by an excursion and picnic at Donner lake. The arrangements are not yet completed.

### Talk is Cheap.

And so are fine clothing, boots, shoes and gentlemen's and boys' fine furnishing goods, if you go to the right place to get them. This is a mighty important point, for some people who assert that they sell cheap do nothing of the kind. We do not boast when we say that we defy competition in prices in anything in our line. Besides this we have only one price. We have no preferred customers. Everybody is treated alike at our establishment. Our stock is the largest and most complete ever offered in any part of this state. Everything we have is new. No old, musty, and out-of-date goods can be found on our shelves. We receive daily by rail and express the latest and best goods, which are obtained at first hand and sold at prices below those now prevailing in New York and Chicago. Let the people come and judge of our prices, and examine our stock before going into those humbugging, Cheap John shops, in which they drum into the ear of the customer that they sell at cost and even below cost. Any body with common sense must know that they lie. No storekeeper sells goods for the fun of the thing. we make a profit on everything we sell, as every honest merchant does, and don't print foolish falsehoods in the vain hope of deceiving the public. We particularly call attention to our full stock of fancy underwear, such as is kept nowhere else in Reno. This class of goods forms one of our specialties. Remember the place, the White House, No. 19 Commercial Row.

## LEGAL NOTICES.

### Summons.

IN THE DISTRICT COURT OF THE Second Judicial District of the State of Nevada, in and for the county of Washoe. The State of Nevada sends to Ardeen Jones greeting: You are hereby required to appear in an action commenced against you as defendant by Jemima Jones as plaintiff in the Districtcourt of the Second Judicial District, in and for the county of Washoe, State of Nevada, and answer the complaint therein within ten days after the service on you of this Summons, (exclusive of the day of service). If served in said county, or twenty days if served out of said county, but within said district, and in all other cases forty days; or judgment by default will be taken against you according to the prayer of said complaint. The said action is brought to obtain a decree dissolving the bonds of matrimony heretofore and now existing between plaintiff and defendant. Plaintiff alleges: That plaintiff and defendant intermarried at Mono county, California, on or about July 29th, A. D 1873, and ever since have been and now are husband and wife; that on or about September 9th, A. D. 1875, you, the defendant, willfully deserted and abandoned plaintiff, and ever since have so continued and do now so continue to desert, abandon and live apart from the plaintiff against her will, wish or consent; that for more than a year next preceding the commencement of this action you, the defendant, have failed and neglected and now do fail and neglect to provide for the plaintiff the common necessities of life, which neglect is and was not the result of poverty on your part, which you could not have avoided by ordinary industry; that there are no children living of the issue of said marriage and no common property. Plaintiff prays to be restored to her maiden name and for costs, all of which will more fully appear from the complaint which is on file in the office of the clerk of said Court at Reno, in said county. And you are further notified, that if you fail to appear and answer said complaint, the said plaintiff will apply to the Court for the relief demanded.

SEAL. In testimony whereof I, P. B. Comstock, have hereunto set my hand and affixed the seal of said Court this sixth day of December, A. D. 1878.

P. B. COMSTOCK,
Clerk of the District Court of the Second Judicial District, Nevada, in and for Washoe county.

**WHY STAY POOR?**

**Prospecting often Pays; Idleness Never.**

The millions of the Comstock were a lucky find. Worthless looking rock is often rich in treasure. At Leadville a simple assay made millionaires of many. Other bonanzas where least suspected await the coming of some unknown man. Who is he?

At Virginia City, Nevada, assays for Gold and Silver are made at $1.00 per sample, by CONRAD WIEGAND, formerly the Supervising Assayer of the U. S Mint at San Francisco.

The mail will carry ore-samples to his office for one cent per ounce.

Reports which may be relied on absolutely, come back by return mail, or results are telegraphed when ordered so.

All costs, delays and risks in remitting money are avoided by the purchase of our Dollar Remittance Tickets, which pay for all work done in our establishment.

We sell these prepaid tickets at a discount, when $5 worth or more are ordered at one time.

Small sacks for mailing ore samples also for sale at a nominal price.
